Supporting Your Library

There are many ways to make a donation to the Pickaway County District Public Library. A wonderful way to honor a friend, relative, child, anniversary or birthday is to make a monetary donation to your library. Bookplates are placed inside all gift books. Additional monetary donations may be designated for a specific use or as “unrestricted.” Monetary gifts are tax deductible. Long-term contributions/assets can be given through the **Pickaway County Community Foundation to the Library Fund**, which has a 501 (c) 3 status.

The **Friends of the Pickaway County District Public Library** is a membership organization established to support the library and its mission in the community. Applications for membership are available at any library location. The Friends accept donations of used books and audio-visual materials from April through September for its **Used Book Sale**.

The library receives approximately 95 percent of its operating budget from Ohio tax revenues.
