

## New Logo For Your Library

The Pickaway County Library's new logo is one aspect of the library's refreshed efforts to keep community members informed about everything going on at the library. We are examining how we reach our patrons and will continue to look for ways to engage to keep everyone informed about all the library's events and services.

In addition to a new logo and new look to the print newsletter, patrons who subscribe to our online newsletter will notice a refreshed look.

The library would love to hear from you on social media. You can also find us at community events. Please let us know if you have any suggestions or comments about how we can best reach you.
