Instructional Videos Offered Through Library's Webpage

Pickaway County Library is pleased to offer its cardholders access to Lynda.com's library of instructional videos. Lynda.com has more than 12,000 courses, ranging from computer programming to project management including instruction on various computer software, programming languages, leadership and business topics.

As a Pickaway County Library cardholder you can access Lynda.com content from home or at either library branch through the library website. On the Lynda.com login page, simply enter your library card number and PIN. Creating an account only requires your name and e-mail address.

Courses through Lynda.com are taught by industry experts and are designed for any skill level. Courses include Microsoft Office Suite (Word, Excel, PowerPoint, Publisher, etc.);, Adobe Create Suites (Photoshop, Illustrator, In Design, etc.), coding, photography, video editing, and learning paths to help users stay ahead in their current job or change careers.
