

October 2018 Newsletter

Mobile Hotspots Available October 1

The Pickaway County Library will soon offer patrons the ability to check out mobile hotspots.

Hotspots provide access to unlimited, high-speed internet service anywhere with Verizon network coverage. Connect devices, including laptops, tablets, smartphones, etc., to the hotspot to take advantage of no-charge internet service. The hotspots are great for those with no internet access at home or for those going on vacations or road trips. Devices will be available Oct. 1 to reserve online in the library catalog and can be checked out from Main Library, Younkin Branch Library or the Bookmobile. Each device includes instructions on how to connect.

Library open on Columbus Day, Oct. 8
Library closed Saturday, Oct. 20 for Pumpkin Show
