Gravitational Energy

Saturday, Sept. 10

1PM—3PM

Main Library

Learn about gravitational energy and what it can do for you as we collaborate with Center for Energy Education. There will be hands-on activities, including building a marble roller coaster and gauging the gravitational pull on various sized objects.

Poet George Kinder

Thursday, Sept. 22

6:30PM

Main Library

George Kinder is inspired by the New England pond he has lived near for 30 years. For this event, Kinder will offer an intimate window into his creative process with a poetry reading, a photography slideshow and discussion about meditation, nature and the inspiration for his latest book, *Reflections on Spectacle Pond*.

Author Sam Quinones

Monday, Sept. 12

7 PM—Main Library

We will host an in-person watch party as author and journalist Sam Quinones joins us for a virtual discussion of his books *Dreamland* (2015) and *The Least of Us* (2021), which chronicle America's opioid crisis. In-person participants will be entered in a drawing for a free ticket to the Sept. 22 Recovery Celebration in Chillicothe where the winner will be seated at Mr. Quinones' table. The Recovery Celebration is hosted by Paint Valley ADAM-H. <https://pvadamh.org>. *Dreamland* was the local One Book, One Community read in 2017.

Welcome Party for Pickles, the Guinea Pig

Monday, Sept. 19
