

I Spy With Digger Dog

You may have noticed Digger's dog tag says **Stop. Leave. Call.** This is another important ground rule to remember if you smell natural gas, which smells like rotten eggs.

Let's help Digger look for all of the Stop. Leave. Call. pictures.

REMINDE YOUR PARENTS that natural gas smells like rotten eggs. If you smell natural gas **STOP** what you're doing, **LEAVE** the area immediately, then from a safe location **CALL** 911 and Columbia Gas (1-800-344-4077).
